Dear Pastor,

The Lord provides our gospel-sharing ministry with many opportunities to point people to Christ. A client recently said, *"I was never interested in spiritual things before. But now that I'm pregnant, I want to learn about Jesus so I can be a good example for my child."*

As you seek the Lord about your plans for next year, consider ways we could champion the gospel and life together. Check out AlignLifeMinistries.org/Get-Involved for these possibilities and more:

[Sanctity of Human Life Sunday \(SOHLS\)](#)

Set aside January 17 or any Sunday in early 2021 to proclaim the sacredness of human life and acknowledge lives impacted by abortion. We have resources to help, including guest speakers, ministry update and client testimony videos, hard copy/digital bulletin inserts and downloadable social media graphics.

[Baby Bottle Boomerang \(BBB\)](#)

Champion life any time of year through our engaging, family-friendly Baby Bottle Boomerang fundraiser. In-person and virtual options available. Recruit a BBB Coordinator; share social media graphics. Downloadable posters available.

[Move for Life: Walk Run Plus \(Spring Fundraising Event\)](#)

Encourage your congregation to join hundreds of believers in our updated spring fundraising event! Meet Saturday May 8th at The Junction Center for a community-wide Walk and 5K run, or do your own fun activity with family and friends at your convenience. Recruit a Team Leader; request or download bulletin inserts. Promote the event.

Feel free to contact Lois at lrhoads@alignlifeministries.org with questions or for more information. We look forward to partnering with you in 2021 for the gospel and life.
